TESTIMONIALS

SARAH & AODGHAN, JUNE 2024

The day went so smoothly and felt so chilled, relaxed and like something out of a fairytale (or my Pinterest board!). They are the vibes we were hoping for and Des and the team really delivered and always with a happy face. The whole venue is so picturesque and perfect; the fairy lights hanging all around add so much ambience, the old train was so cool and different to get some of our pictures in front. We will forever be in love with this venue.

GRACE & DEAN, SEPT 2023

We honestly had the best day of our lives. The venue, your staff, the food and of course, Des, were all absolutely incredible. All of our guests raved about the entire day, they loved it!

LAURA & PADDY, SEPT 2021

From the moment we met Des and stepped onto the grounds of Carlingford Brewery, we knew we found our perfect wedding venue. We wanted something alternative, fun and a place for us to celebrate with family in style, and Des & his team smashed our expectations. They were so helpful in planning every detail which meant our day went smoothly with no issue. A brides dream! Would highly recommend Carlingford Brewery if you want a truly special day to remember.
